The Housing office will be able to provide international students and others who may desire with all bedding and towel needs at an additional cost of \$20.20 per week. *Please add this amount for your payments.*

2. What are the arrangements for the residence halls in terms of roommates, etc.?

Project SMART students will reside in XX Hall: There is adult supervision at all times in the residence halls. All students will have a roommate throughout the program.

3. How is the transportation from the airport to the program handled?

If several (3-4) students are arriving at the same time, we'll pick them up from the Boston (BOS Logan) airport; otherwise, they may travel by C&J bus (<https://www.ridecj.com/schedules/>) to Portsmouth NH – about 70 min ride; and we'll pick up the students from the Bus stop in Portsmouth. Please check the C&J Bus website for the most up-to-date ticket fees. If the student is under age 16, he/she cannot travel alone per C&J regulations; let us specifically know about this.

We will confirm the pick-up schedules a week before your arrival.

 - c. **Friday, July 27:** We will have one airport drop off between 5:00 and 6:00 p.m. – either van or C&J Bus – So, please make your reservations only for flights leaving after 7:00 PM.
